	English/Communications	General Ed. Science	NAS 101	Math 103	CSCI 101	Math 102
	3	2.75	2.75	2.5	2.25	2

Gen. Ed. Science	Overall, the Gen. Ed. Science Program Assessment was greatly improved. Committee members commented that the INDIRECT measurement should be expanded. Pre and Post Test showed 96% success.
English/Communications	Faculty have strong evidence that students are reaching expectations as related to course outcomes.
CSCI 101	Committee members commented on the improvement in the Assessment process and report.
Math 102	Motion to rate Last Year's Recommendation as a "0" as last year's report did not document any suggested recommendations.
Math 103	Committee members commented on the statistics that were included in the Analysis.
NAS 101	Committee members commented on the continued improvement for the NAS 101 assessment process and reporting of data.
